Notes for Verena Farner:

She had an illegitimate child with Ludwig Wust from Zurich. This Verena Fahrner was further unlucky in that in February 1759 she had a son outside of her marriage by Niclaus Steinimann shoemaker from Waltenlingen. Shortly after birth she choked the baby to death and threw it into the public street on Brichweg. On March 2 she was sent to Zurich and from there to and there was executed on the 17. of May by sword.

One word I have never heard of (lichtfertig). In the context that it is used here it could mean the equivalent of "not to bright" i.e. "she was further unlucky and not to bright".
